I talked to him a week or so ago when I was talking to him about the West Oakland matter. He raised the issue below again as an aside, and said he wants to follow-up with me in conversation so he can understand better. He hasn't scheduled that with me yet, though.

Hi Kurt,

Have you heard anything back from Richard on this matter? Do we know whether all of his questions been answered and this matter can be closed?

Please advise.

Thanks!
